DETAILED ACTION

Examiner's Comment.

Applicant's claims for domestic priority under 35 U.S.C. 119(e) and 120 is acknowledged (This application is a CON of 09/882,272 06/15/2001 which claims benefit of 60/268,072 02/12/2001).

Reason for allowance

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Electrooptical displays constructed with polymerization initiating and enhancing elements positioned between substrates having at least one of a polymer support extending between the first substrate and the second substrate and a non-structural PIE element extending at least about one-quarter of a distance between the first substrate and the second substrate is formed via polymerization in situ in response to the PIE elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
